#### The Residential Tenancies Act states emergency repairs are:

- A burst water service or a serious water service leak
- A blocked or broken lavatory system or fittings
- A serious roof leak
- A gas leak
- A dangerous electrical fault
- Flooding or serious flood damage
- Serious storm, fire or impact damage
- A failure or breakdown of the gas, electricity or water supply to the premises
- A failure or breakdown of an essential service or appliance on premises for hot water, cooking or heating
- A fault or damage that makes premises unsafe or unsecure
- A fault or damage likely to injure a person, damage property or unduly inconvenience a tenant of premises, or
- A serious fault in any staircase, lift or other common area which inhibits or unduly inconveniences residents in gaining access to or using the premises
